Enrollments reflect degree- or credential-seeking undergraduate enrollments. The graduate or transfer rate is drawn from IPEDS and represents the share of students who either graduate with a degree or credential from the institution or transfer to another institution within 8 years. The 8-year outcome is the only measure that includes information on transfer out. Detailed data guidance is provided at <http://go.unc.edu/countydata>

Local Cross-Sector Promising Practice: Pathways to Purpose

Brunswick Community College and the Cape Fear Workforce Development Board were recently awarded a \$400,000 grant to build a talent pipeline into the area's construction industry. The initiative, Pathways to Purpose, will support innovative recruitment, accelerated construction training, credential attainment and soft skills instruction.

We identified this example of an emerging cross-sector promising practice in partnership with local leaders. If you have additional examples you'd like to share with myFutureNC, please respond to this short survey.
