NC goal: 2 million by 2030  
2020 County Attainment Profile

Updated: Aug 04 2021

## INTRODUCTION

From birth to career, there are many opportunities to develop strategies and interventions to increase attainment and improve workforce alignment. Below are some key areas and indicators that highlight where interventions may be possible to improve overall educational attainment outcomes.

## Building the Foundation: Pre-K to 8

High-quality early learning and strong academic progress in early years helps prepare children for future success.

Buncombe County has 50 public schools with performance grades. Of these schools, 4 or 8% were classified as low performing in 2019.

## Ready for College & Career

High school completion is a crucial step on the pathway to postsecondary success or the beginnings of a career. Activities that prepare students to navigate the transition to postsecondary include gaining experience in college-level coursework and applying for financial assistance.

## Postsecondary Access and Success

These metrics capture student progression and educational attainment from high school graduation to postsecondary completion. They indicate relative strengths and weaknesses of Buncombe County at each stage of the postsecondary pipeline.

Buncombe County has a student-to-school counselor ratio of 292:1.

## Labor Market Outcomes

Lack of technical skills and lack of education are among the primary reasons why NC employers struggle to fill vacancies. These metrics capture labor market outcomes among recent graduates, the alignment between postsecondary degree production and labor market demand, and future job demands.

6.9% of teens ages 16-19 are not working and not in school versus 6.8% of peer counties.

## Opportunities for Growth

Compared to suburban counties and the state, these three areas represent the biggest opportunities for Buncombe County to improve future attainment outcomes.

### NC Pre-K Enrollment

35% of Buncombe County eligible 4-year-olds are enrolled in NC Pre-K, below the suburban county average of 44%.

### Transition to Postsecondary

58% of Buncombe County seniors enroll in postsecondary within 12 months of graduation, below the suburban county average of 62%.

### High School Graduation

87% of Buncombe County 9th graders complete high school in 4 years or less, below the suburban county average of 88%.

## COUNTY OVERVIEW

**Notes:**  
 Enrollments reflect degree- or credential-seeking undergraduate enrollments. The graduate or transfer rate is drawn from IPEDS and represents the share of students who either graduate with a degree or credential from the institution or transfer to another institution within 8 years. The 8-year outcome is the only measure that includes information on transfer out. Detailed data guidance is provided at <http://go.unc.edu/countydata>

### Local Cross-Sector Promising Practice: Community Schools

Working with Asheville City Schools, Buncombe County Schools and a network of more than 50 local service providers, United Way of Asheville and Buncombe County is organizing resources that will support the health, education and financial stability of the whole family and neighboring community. By using our local middle schools as a district-wide hub for services, we can find new ways to address the needs of the community.

We identified this example of an emerging cross-sector promising practice in partnership with local leaders. If you have additional examples you'd like to share with myFutureNC, please respond to this short survey.
