Alexander County

NC goal: 2 million by 2030
2020 County Attainment Profile

INTRODUCTION
From birth to career, there are many opportunities to develop strategies and interventions to increase attainment and improve workforce alignment. Below are some key areas and indicators that highlight where interventions may be possible to improve overall educational attainment outcomes.

COUNTY OVERVIEW
Alexander County is in the Hickory Prosperity Zone sub-region. It’s one of 28 rural metro counties in NC.
Overall, 4% of 25-44-year-olds in Alexander County have earned a master’s degree or higher as their highest degree; 9% have a bachelor’s degree; 13% have an associate degree; 19% have some college, no degree; 40% have a high school diploma; and 15% have less than a high school diploma.

Building the Foundation: Pre-K to 8
High-quality early learning and strong academic progress in early years helps prepare children for future success.
Alexander County has 11 public schools with performance grades. Of these schools, none were classified as low performing in 2019.

Ready for College & Career
High school completion is a crucial step on the pathway to postsecondary success or the beginnings of a career. Activities that prepare students to navigate the transition to postsecondary include gaining experience in college-level coursework and applying for financial assistance.

Postsecondary Access and Success
These metrics capture student progression and educational attainment from high school graduation to postsecondary completion. They indicate relative strengths and weaknesses of Alexander County at each stage of the postsecondary pipeline.
Alexander County has a student-to-school counselor ratio of 297:1.

Labor Market Outcomes
Lack of technical skills and lack of education are among the primary reasons why NC employers struggle to fill vacancies. These metrics capture labor market outcomes among recent graduates, the alignment between postsecondary degree production and labor market demand, and future job demands.
10.6% of teens ages 16-19 are not working and not in school versus 9.4% of peer counties.

Opportunities for Growth
Compared to rural metro counties and the state, these three areas represent the biggest opportunities for Alexander County to improve future attainment outcomes.

How students in Alexander County traditional public schools are currently doing:
To meet state goals, Alexander County needs:
• 562 more 3-8 graders earning college-and-career-ready scores (level 4 or 5) in reading (goal: 73% vs. 48%).
• 901 more 3-8 graders earning college-and-career-ready scores (level 4 or 5) in math (goal: 86% vs. 46%).

To meet state goals, Alexander County needs:
• 78 more seniors to complete the FAFSA (goal: 80% vs. 55%).
• Alexander County has met the goal for students to attend school regularly (goal: 11% chronic absenteeism vs. 10%).

Students in Alexander County completed 260 Career & Technical Education concentrations in 2019. The top three CTE concentrations completed include Agricultural, Food, & Natural Resources; Business Management & Administration; and Health Science.

How students in Alexander County traditional public schools are currently doing:
To meet state goals, Alexander County needs:
• 42 more 9th graders to graduate within four years (goal: 95% vs. 83%).
• Alexander County has met the goal for students to enroll in a postsecondary program (goal: 75% vs. 45%).

How students in Alexander County traditional public schools are currently doing:
To meet state goals, Alexander County needs:
• 901 more 3-8 graders earning college-and-career-ready scores (level 4 or 5) in math (goal: 86% vs. 46%).

**Notes:**
- Enrollments reflect degree- or credential-seeking undergraduate enrollments. The graduate or transfer rate is drawn from IPEDS and represents the share of students who either graduate with a degree or credential from the institution or transfer to another institution within 8 years. The 8-year outcome is the only measure that includes information on transfer out.

### Local Cross-Sector Promising Practice: Alexander Furniture Academy

The Alexander County Furniture Academy is an industry driven training program designed by local furniture manufacturers and Catawba Valley Community College to prepare students for the skilled positions that are in high demand by some of the largest employers in our area.

We identified this example of an emerging cross-sector promising practice in partnership with local leaders. If you have additional examples you’d like to share with myFutureNC, please respond to this [short survey](http://myfuturenc.org).
