Columbus County

NC goal: 2 million by 2030
2020 County Attainment Profile

INTRODUCTION
From birth to career, there are many opportunities to develop strategies and interventions to increase attainment and improve workforce alignment. Below are some key areas and indicators that highlight where interventions may be possible to improve overall educational attainment outcomes.

Building the Foundation: Pre-K to 8
High-quality early learning and strong academic progress in early years helps prepare children for future success.

Columbus County has 20 public schools with performance grades. Of these schools, 5 or 25% were classified as low performing in 2019.

Ready for College & Career
High school completion is a crucial step on the pathway to postsecondary success or the beginnings of a career. Activities that prepare students to navigate the transition to postsecondary include gaining experience in college-level coursework and applying for financial assistance.

Postsecondary Access and Success
These metrics capture student progression and educational attainment from high school graduation to postsecondary completion. They indicate relative strengths and weaknesses of Columbus County at each stage of the postsecondary pipeline.

Columbus County has a student-to-school counselor ratio of 365:1.

Labor Market Outcomes
Lack of technical skills and lack of education are among the primary reasons why NC employers struggle to fill vacancies. These metrics capture labor market outcomes among recent graduates, the alignment between postsecondary degree production and labor market demand, and future job demands.

15.4% of teens ages 16-19 are not working and not in school versus 8.9% of peer counties.

Opportunities for Growth
Compared to rural non-metro counties and the state, these three areas represent the biggest opportunities for Columbus County to improve future attainment outcomes.

COUNTY OVERVIEW
Columbus County is in the Fayetteville-Lumberton Prosperity Zone sub-region. It’s one of 50 rural non-metro counties in NC.

Overall, 4% of 25-44-year-olds in Columbus County have earned a master’s degree or higher as their highest degree; 9% have a bachelor’s degree; 9% have an associate degree; 31% have some college, no degree; 31% have a high school diploma; and 17% have less than a high school diploma.

How students in Columbus County traditional public schools are currently doing:

To meet state goals, Columbus County needs:

• Columbus County has met the goal for eligible 4-year-olds enrolled in NC Pre-K program (goal: 75% vs. 82%).
• 1,121 more 3-8 graders earning college-and-career-ready scores (level 4 or 5) in reading (goal: 73% vs. 40%).
• 1,811 more 3-8 graders earning college-and-career-ready scores (level 4 or 5) in math (goal: 86% vs. 33%).

Students in Columbus County completed 219 Career & Technical Education concentrations in 2019. The top three CTE concentrations completed include Health Science; Agricultural, Food, & Natural Resources; and Hospitality & Tourism.

Postsecondary Completion
41% of Columbus County high school graduates who enroll in postsecondary earn a degree or credential within 6 years, below the rural non-metro county average of 49%.

FAFSA Completion
48% of Columbus County high school seniors complete the FAFSA, below the rural non-metro county average of 55%.

Disconnected Youth
15% of Columbus County youth ages 16-19 are not working and not in school, above the rural non-metro county average of 9%.

In your Prosperity Zone sub-region, 2018-19:

1,621 individuals served in an Apprenticeship program.
6,792 Basic Skills enrollments at NC community colleges.
32,293 Continuing Education enrollments at NC community colleges.

There are 258,519 job openings projected between 2017-2026. The top 3 in demand jobs with median wages of $50,000 or more are: 1) Registered Nurses; 2) Business Operations Specialists, All Other; 3) General and Operations Managers.

**Notes:**
Enrollments reflect degree- or credential-seeking undergraduate enrollments. The graduate or transfer rate is drawn from IPEDS and represents the share of students who either graduate with a degree or credential from the institution or transfer to another institution within 8 years. The 8-year outcome is the only measure that includes information on transfer out. Detailed data guidance is provided at [http://go.unc.edu/countydata](http://go.unc.edu/countydata)

### Local Cross-Sector Promising Practice: Southeastern Community College Project PRIME

Project PRIME is designed to provide comprehensive training and employment assistance for individuals to fill new jobs in the polymer/plastics extrusion industry. Components include customized training, short-term occupational skills training, soft skills, health and safety training, articulation to associate degrees, transferable third-party credentials, on-the-job training, linkages with the Columbus Career and College Academy (CCA), and paid internships for high school and college students. This project serves unemployed, underemployed, and dislocated workers, as well as enrolled students.

We identified this example of an emerging cross-sector promising practice in partnership with local leaders. If you have additional examples you’d like to share with myFutureNC, please respond to this short survey.
