

Haywood County

NC goal: 2 million by 2030
2020 County Attainment Profile

Updated: Aug 12 2020

INTRODUCTION

From birth to career, there are many opportunities to develop strategies and interventions to increase attainment and improve workforce alignment. Below are some key areas and indicators that highlight where interventions may be possible to improve overall educational attainment outcomes.

Building the Foundation: Pre-K to 8

High-quality early learning and strong academic progress in early years helps prepare children for future success.

Haywood County has 14 public schools with performance grades. Of these schools, none were classified as low performing in 2019.

COUNTY OVERVIEW

Haywood County is in the **Waynesville-Franklin** Prosperity Zone sub-region. It's one of 28 rural metro counties in NC.

Overall, 8% of 25-44-year-olds in Haywood County have earned a master's degree or higher as their highest degree; 17% have a bachelor's degree; 18% have an associate degree; 23% have some college, no degree; 23% have a high school diploma; and 12% have less than a high school diploma.

2018 Population	62,839
2030 Population	68,680
K-12 Students (2019)	
Traditional Schools	7,026
Charter/Private/Home	1,431
Median Household Income	\$47,183
Child Poverty Rate	22%
Households with Broadband	69%

How students in Haywood County traditional public schools are currently doing:

To meet state goals, Haywood County needs:

- **78 more eligible 4-year-olds** enrolled in NC Pre-K program (goal: 75% vs. 53%).
- **743 more 3-8 graders** earning college-and-career-ready scores (level 4 or 5) in reading (goal: 73% vs. 50%).
- **1,289 more 3-8 graders** earning college-and-career-ready scores (level 4 or 5) in math (goal: 86% vs. 46%).

Ready for College & Career

High school completion is a crucial step on the pathway to postsecondary success or the beginnings of a career. Activities that prepare students to navigate the transition to postsecondary include gaining experience in college-level coursework and applying for financial assistance.

To meet state goals, Haywood County needs:

- **59 more 9th graders** to graduate within four years (goal: 95% vs. 85%).
- **79 more seniors** to complete the FAFSA (goal: 80% vs. 64%).
- **Haywood County has met the goal for students** to attend school regularly (goal: 11% chronic absenteeism vs. 10%).

146 students took at least one AP course (7%) versus 10% of peer counties.

462 students participated in Career & College Promise programs (21%) versus 18% of peer counties.

Students in Haywood County completed **493 Career & Technical Education concentrations** in 2019. The top three CTE concentrations completed include Agricultural, Food, & Natural Resources; Manufacturing; and Architecture and Construction.

Postsecondary Access and Success

These metrics capture student progression and educational attainment from high school graduation to postsecondary completion. They indicate relative strengths and weaknesses of Haywood County at each stage of the postsecondary pipeline.

Haywood County has a student-to-school counselor ratio of 413:1.

Among Haywood County high school graduates:

- **59% of graduates** enroll in a postsecondary institution within 12 months versus 57% of peer counties.
- **78% of students** who enroll persist to their second year versus 73% of peer counties.
- **58% of students** who enroll earn a degree or credential within 6 years versus 50% of peer counties.

In your Prosperity Zone sub-region, 2018-19:

18	individuals served in an ApprenticeshipNC program.
1,489	Basic Skills enrollments at NC community colleges.
10,302	Continuing Education enrollments at NC community colleges.

Labor Market Outcomes

Lack of technical skills and lack of education are among the primary reasons why NC employers struggle to fill vacancies. These metrics capture labor market outcomes among recent graduates, the alignment between postsecondary degree production and labor market demand, and future job demands.

8% of teens ages 16-19 are not working and not in school versus 9.4% of peer counties.

In your Prosperity Zone sub-region:

Public postsecondary institutions graduate **3,691 students per year**. After 5 years, 70% of 2013 graduates were employed in NC, earning an annual average wage of \$39,941.

80% of postsecondary degrees and credentials conferred by regional institutions are aligned with labor market needs. The top gap is: **Health Science** (above bachelor's).

There are **81,375 job openings** projected between 2017-2026. The top 3 in demand jobs with median wages of \$50,000 or more are: 1) **Registered Nurses**; 2) **General and Operations Managers**; 3) **First-Line Supervisors of Construction Trades and Extraction Workers**.

Opportunities for Growth

Compared to rural metro counties and the state, these three areas represent the biggest opportunities for Haywood County to improve future attainment outcomes.

AP Participation

7% of Haywood County high school students took at least one Advanced Placement exam, below the rural metro county average of 10%.

School Counselors

Haywood County has a student-to-school counselor ratio of 413:1, above the rural metro county average of 378:1.

NC Pre-K Enrollment

53% of Haywood County eligible 4-year-olds are enrolled in NC Pre-K, below the rural metro county average of 54%.

Largest postsecondary institutions in your Prosperity Zone sub-region

Institution Name	Undergraduate Enrollments 2017-18	Graduate or Transfer in 8 Years
Total Enrollments	17,345	74%
Western Carolina University	10,449	88%
Southwestern Community College	3,262	62%
Haywood Community College	2,223	56%
Tri-County Community College	1,411	56%

Notes:

Enrollments reflect degree- or credential-seeking undergraduate enrollments. The graduate or transfer rate is drawn from IPEDS and represents the share of students who either graduate with a degree or credential from the institution or transfer to another institution within 8 years. The 8-year outcome is the only measure that includes information on transfer out. Detailed data guidance is provided at <http://go.unc.edu/countydata>

Local Cross-Sector Promising Practice: The State of our Workforce

The Mountain Area Workforce Development Board and over 20 regional partner organizations collaborated with the North Carolina Chamber and RTI to survey businesses across a 10-county region in Western North Carolina. Overall, Western North Carolina is well-suited to proactively address talent needs. It possesses high-quality education resources, access to training, and a community that is focused on growing a strong talent pipeline.

We identified this example of an emerging cross-sector promising practice in partnership with local leaders. If you have additional examples you'd like to share with myFutureNC, please respond to this short survey.
