Notes:

Enrollments reflect degree- or credential-seeking undergraduate enrollments. The graduate or transfer rate is drawn from IPEDS and represents the share of students who either graduate with a degree or credential from the institution or transfer to another institution within 8 years. The 8-year outcome is the only measure that includes information on transfer out. Detailed data guidance is provided at <http://go.unc.edu/countydata>

Local Cross-Sector Promising Practice: The ROC

The ROC serves Charlotte students with a mission to educate and mentor high school students for technical education and career opportunities in the construction industry. Students selected for the ROC receive dual high school and college credits. Juniors and seniors receive skills training in advanced carpentry, electrical, HVAC and construction management through a combination of structured classroom and applied learning on-the-job with local professional mentors.

We identified this example of an emerging cross-sector promising practice in partnership with local leaders. If you have additional examples you'd like to share with myFutureNC, please respond to this short survey.
