**Notes:**

Enrollments reflect degree- or credential-seeking undergraduate enrollments. The graduate or transfer rate is drawn from IPEDS and represents the share of students who either graduate with a degree or credential from the institution or transfer to another institution within 8 years. The 8-year outcome is the only measure that includes information on transfer out. Detailed data guidance is provided at <http://go.unc.edu/countydata>

### Local Cross-Sector Promising Practice: Frontier Warren

A new partnership between the town of Warrenton and the Research Triangle Foundation began in the summer of 2020, when a second Frontier Warren business incubator opened on S. Main Street. Containing office space for 10 companies, Frontier Warren will increase essential economic development in the town and county by encouraging entrepreneurship on Main Street and beyond.

We identified this example of an emerging cross-sector promising practice in partnership with local leaders. If you have additional examples you'd like to share with myFutureNC, please respond to this short survey.
